25X1A

b. Prior to actually signing for the air-
craft, a complete acceptance inspection was
performed. Aircraft records were checked, the
airframe and engines were inspected, and an
inventory of TSC equipment was made. The air-
craft was test flown and landed with two minor
squawks, which were cleared by Sewart crew.

c. Overall, the aircraft appears to be in
excellent condition and should give good service.

3. Robins AFB, Georgia

a. Arrangements were made with [REDACTED] to
perform all maintenance on the C-130B that
is beyond the [REDACTED] Direct
liaison will be established with the Depot
[REDACTED] as-required basis.
